

# Open Science Awards

## What are the awards?

There are 3 awards that recognize trainees who actively engage in open science practices: **The Open Science Newcomer Award, The Open Science Peer Support Award, and The Open Science Trailblazer Award.**

By celebrating contributions to transparency, collaboration, and accessibility, we hope to foster a culture where open science is valued and widely practiced at WIN and beyond.

**Who can be nominated?** Graduate students and postdoctoral fellows are eligible. They can either self-nominate or be nominated by others. A person may be nominated for more than one award, but a nominee cannot win more than one award.

**Who can nominate?** Peers, faculty, and staff can nominate a trainee for an award.

**Nominations open:** April

**Nominations close:** June

**Awards announced:** July

Check the website frequently for specific deadlines.

**How to nominate?** Click the "**Apply here**" button under the description of the relevant award.

**How can I learn more?** Contact WIN's Open Science Research Specialist, Christine Moreau, [WINopenscience@uwo.ca](mailto:WINopenscience@uwo.ca).
